## **Rudy Starks and Donny McPherson**

The Downtown Improvement District would like you to meet the Clean Team—Rudy Starks and Donny McPherson.

You'll see them this Spring, Summer and Fall working to keep Downtown Omaha clean. Rudy is a downtown resident who has also worked in the area for many years. Donny is a life-long Omahan and current Junior at the University of Nebraska-Omaha. Both take pride in their community and are proud to keep Downtown Omaha looking its best.

Please say “hi” the next time you see them and if you notice any areas that need cleaning, please call 916-1796 to report any issues.
